SUMMARY

iOS Developer with 9 years of experience in crafting native iOS applications using Swift, XCode, SwiftUI, UIKit, XCTest. Recognized for strong problem-solving, collaborative, and crafting seamless user experience and driving efficient, high-quality mobile development in Agile environments. Proven track record of reducing release cycles **by 1.5 weeks**, improving **app load time by 1.2 seconds**, and cutting build overhead by **40 minutes per release** through automation and clean architecture.

SKILLS

Technical Skills/Tools

Swift | SwiftUI | MVVM-C | MVC | UIKit | SOLID principles | AGILE | Swift Concurrency (async/await) | CI/CD | XCode

Frameworks/Storage

XCTest | URLSession | Codable

WORK EXPERIENCE

Chancenkarte Holder – Eligible to work in Germany

Jun 2025

- Ready to work full time in Germany.

Senior iOS Developer

Jun 2023 - Jun 2025

Tata Consultancy Service , Pune, India

- Engineered and optimized iOS applications using Swift and Objective-C, maintained app responsive and reducing load times by **1.2 seconds** across all supported devices.
- Led feature development and release cycles with cross-functional teams, cutting delivery time from **4 weeks to 2.5 weeks** through better sprint planning and automation.
- Developed reusable UI components using SwiftUI and UIKit, improving interface consistency and cutting UI implementation time by **15 hours** per sprint.
- Spearheaded architecture refactoring using MVVM and dependency injection, streamlining code reviews and saving **10 developer hours** per week in maintenance.

Senior Software Engineer iOS

Nov 2020 - May 2023

Forgeahead Solutions Pvt Ltd , Pune, India

- Integrated continuous integration and delivery pipelines (CI/CD) with Fastlane, reducing manual build time by **40 minutes** per release.
- Implemented automated testing frameworks (XCTest, XCUITest) with SwiftLint, achieving stable nightly builds and preventing **5-7 potential bugs** per iteration.
- Collaborated with UX designers to translate prototypes into intuitive user flows, shortening design-to-development turnaround by **1 week** per feature.
- Contributed to Agile sprints by leading technical discussions and mentoring teammates, boosting sprint output by **2 additional story** points per cycle.

iOS Developer

Mar 2020 - Nov 2020

iMouns Web Solutions , Pune, India

- Built consumer-oriented iOS applications in the B2C market, delivering features that improved daily active user engagement by **2,000+ users per week** and enhanced app responsiveness.
- Led knowledge sharing sessions to discuss new iOS frameworks, best practices, and architecture patterns, enhancing team expertise and accelerating feature development.
- Stayed up to date with current iOS trends and frameworks, actively contributing to technical decisions that improved app architecture, performance, and long-term maintainability.

iOS Developer

Mar 2016 - Dec 2019

Biz4Solutions Pvt Ltd , Pune, India

- Worked on UIKit, Swift, SwiftUI, Storyboard and increased the team productivity.

EDUCATION

Bachelor of Engineering: RAJIV GANDHI PROUDYOGIKI
VISHWAVIDYALAYA

Aug 2010 - Jul 2014

Electronics and Telecommunication

ACCOMPLISHMENTS

- Applauded as outstanding role model to the team in Tata Consultancy Service.
- Awarded as Xcelerate Warrior in Tata Consultancy Service.
- Appreciation from the customer for crafted stunning design and on time work completion.

CERTIFICATIONS

SwiftUI master class

AWS Cloud computing

Java master class certification
